

PRERNA GAIKWAD

FRONT END WEB DEVELOPER AND ENTHUSIASTIC LEARNER.

I am eager to begin my career as a web developer and contribute to the company's mission to create innovative and user-friendly websites. I have honed my skills in Presentation, Management and teamwork. Also, I am proficient in programming languages such as C/C++, Java, HTML, CSS, and JavaScript. As a detail-oriented and creative problem-solver, I am excited to apply my knowledge and enthusiasm to learn and grow in a dynamic work environment.
